

## NOTE TO TAXPAYERS & PREPARERS

**IMPORTANT POLICY CHANGE:** Effective 2006, the Sonoma County Assessor's Office discontinued the practice of returning incomplete or inaccurate Agricultural Property Statements. This practice allowed taxpayers to amend their filing and thereby avoid the ten percent penalty. Returning and tracking those statements has become time consuming and inefficient. Taxpayers filing incomplete or inaccurate statements will be considered non-filers and will be assessed a ten percent penalty. We encourage you to file complete, accurate statements.

Our office has developed the following checklist to help you review your property statement for completeness and accuracy prior to sending it to us.

- Is Part I (General Information) complete?
- Did you report **all** machinery, equipment, furniture, fixtures and improvements (old and new) that are being used in the business that is owned as well as equipment leased or rented to/from others? Report equipment leased from others on Part IV. *If you have none (zero) of the above to report, please indicate why.*

“Same as last year” and “No Change” statements are **not** acceptable. Copy costs reported on your last year's property statement to this year's.

- Did you post cost data to the appropriate schedules?
- Are your in-lieu schedules in the same format as our schedules?
- Did you attach your computer-generated property statement to ours?
- Do you have the proper, original signature on **our** form (not your computer-generated form)? Stamped & electronic signatures are **not** acceptable. The property statement **must be signed by one of the following:**
  - a) The owner, if a sole proprietor;
  - b) A partner, if a partnership or Limited Liability Partnership (LLP);
  - c) A corporate officer (President, VP, Secretary, Treasurer), if a corporation;
  - d) A manager or member, if a Limited Liability Company (LLC);
  - e) CPA, a public accountant, an enrolled agent, or an attorney;
  - f) An employee of the company or agent, but **ONLY IF** a written authorization is attached bearing the signature of an owner, a corporate officer or board director, partner, or LLC manager/member.

REMARKS:

## OFFICIAL REQUEST

DO NOT RETURN THESE INSTRUCTIONS

California law prescribes a yearly ad valorem tax based on property as it exists at 12:01 a.m. on January 1 (tax lien date). This form constitutes an official request that you declare all assessable agricultural property situated in this county which you owned, claimed, possessed, controlled, or managed on the tax lien date, and that you sign (under penalty of perjury) and return the statement to the Assessor's Office by the date cited on the face of the form as required by law. Failure to file the statement during the time provided in section 441 of the Revenue and Taxation Code will compel the Assessor to estimate the value of your property from other information in the Assessor's possession and add a penalty of 10 percent of the assessed value as required by section 463 of the Code.

If you own taxable personal property in any county whose aggregate cost is \$100,000 or more for any assessment year, you **must** file a property statement with the Assessor of that county whether or not you are requested to do so. Any person not otherwise required to file a statement shall do so upon request of the Assessor regardless of aggregate cost. The Assessor of the county will supply you with a form upon request.

Except for the "DECLARATION BY ASSESSEE" section, you may furnish attachments in lieu of entering the information on this property statement. However, such attachments must contain **all** the information requested by the statement and these instructions, the attachments must be in a format acceptable to the Assessor, and the property statement must contain appropriate references to the attachments and must be properly signed. In all instances, you must return the original BOE-571-A.

(Note: A charge for self-construction/labor should be imputed when such is the case, e.g., if you would have paid \$500 to have a pump installed but performed the labor yourself, the value of that labor must be included in the value/cost of such machinery and equipment.)

**Column B.** Enter the total original installed cost by calendar year of acquisition. Include freight-in excise taxes, sales or use taxes, and installation costs. Include fully depreciated office equipment but **do not** include items that were traded, retired, transferred, sold, or junked and removed physically from the premises. If office equipment is located elsewhere in the county, attach a similar schedule and identify the location. **All office equipment must be reported on this statement.**

**Column C.** Describe other equipment not reported in Columns A, B, or D.

**Column D.** Computers used in any application directly related to manufacturing, or used to control or monitor machinery or equipment, should be reported in Column A. Non-production computer components and related equipment designed for general business purposes should be reported in Columns D, E, and F. For reporting purposes, a computer component is each asset separately stated in your books and records. Do not include application software costs in accordance with section 995.2 of the California Revenue and Taxation Code. Report in Column D computer assets with a cost of \$25,000 or less. Report in Column E computer assets with a cost of \$25,000-\$500,000. Report in Column F computer assets costing \$500,000.01 and over and attach a detailed schedule of such assets by year of acquisition.

If necessary, asset titles in Schedule C may be changed to better fit your property holdings; however, the titles should be of such clarity that the property is adequately defined.

**LINES 19, 32 and 33.** For "prior" years acquisition, you must attach a separate schedule detailing the cost of such equipment by year(s) of acquisition. Enter the total cost of all such acquisitions on lines 19, 32 and 33.

**LINE 35.** Add totals on lines 20, Column D, line 33, Column E, line 34, Columns A, B, C, line 35, Column F, and any additional schedules. Enter the same figure on Part II, line 3 that you entered in the box.

#### **SCHEDULE D — MOVABLE FARM EQUIPMENT AND HARVESTERS**

Include items such as tractors, harvesters, plows, tools, hive boxes, bunkhouse furnishings (owned by the farmer), portable wind machines, temporary pipes and sprinklers that are above ground (not permanent), heaters, smudge pots, pallets, bins, shakers, saddles, bridles, etc.

Equipment out on lease should not be included here; report such equipment, per instructions, on line 6. Include equipment acquired through a lease-purchase agreement at the selling price effective at the inception of the lease and report the year of the lease as the year of acquisition (if final payment has **not** been made, report such equipment in Part IV). If you own machinery and equipment at another location in this county and you did not receive a form for reporting equipment at that location, or if your equipment is temporarily outside the county, attach a schedule to this statement showing the location of the equipment and provide the information requested in this schedule. Report all machinery and equipment, whether fully depreciated or not, including implements of husbandry, special mobile equipment (SE Plates), and other vehicles exempt from licensing and registration under Division 16 of the Vehicle Code. Do not include licensed vehicles designed primarily for the transportation of persons or property on a highway.

The reported cost should include excise taxes, sales or use taxes, freight charges, and installation costs. If a trade-in was deducted, the amount to be entered is the invoice price (adding back the trade-in). Deductions for investment credits allowable for federal income tax purposes may not be taken and must be added back if deducted when the cost was entered on your books and records. Include expenses incurred immediately after purchase to bring a machine up to operable condition. As mentioned in Schedule C, the value of self-construction must be included.

#### **SCHEDULE E — COST DETAIL: BUILDINGS, BUILDING IMPROVEMENTS, AND/OR LEASEHOLD IMPROVEMENTS, LAND AND LAND DEVELOPMENT**

**LINES 62-86.** Report by calendar year of acquisition the original or allocated costs (per your books and records) of buildings and building or leasehold improvements; land improvements; land and land development owned by you at this location on January 1. Include finance charges for buildings or improvements which have been constructed for an enterprise's own use. If no finance charges were incurred because funding was supplied by the owner, then indicate so in the remarks. In the appropriate column enter costs, including cost of fully depreciated items, by the calendar year of acquisition and total each column. Do not include items that are reported in Schedule C. With respect to Columns A and B, segregate the buildings and building or leasehold improvements into the two requested categories (items which have dual function will be classified according to their primary function).

If you had any additions or disposals reported in Columns A, B, C, or D during the period of January 1, 2006 through December 31, 2006, complete the schedules at lines 87-88 showing the month and year and description of each addition and disposal.

- (87) **IMPROVEMENTS ADDED OR REMOVED.** List and describe additions or alterations made during the twelve months preceding January 1 to buildings, structures, pumps, permanent pipelines or other items attached to the land. Enter the cost of any such changes. List and describe any removals giving the year of acquisition and original cost, if known. Enter the month and year the addition, alteration, or removal was completed. If not completed on January 1, enter "CIP" (construction in progress).

- (88) **CHANGES TO THE LAND SURFACE.** Describe any changes made during the twelve months preceding January 1 in the surface of the land, such as leveling, ripping, drainage, well drilling, etc. Enter the cost of such changes, and acres changed. Enter the month and year the changes were completed. If not completed on January 1, enter "CIP" (construction in progress).
