Background:

In accordance with California Government Code, the County Treasurer shall provide quarterly investment reports of Pooled Investment Funds to the Board of Supervisors, any local agency participating in the fund and the Treasury Oversight Committee. The Government Code further requires the County Treasurer to certify that sufficient cash flow is available for the next six months to meet the expected demands of all pool participants. The attached report outlines the current investments of the pool, their market values, weighted average maturity and yields. The report also includes the Treasurer's certification of adequate cash flow.

We respectfully submit the quarterly investment report for the quarter ending December 31, 2008.
