(Source:)

**Additional Requested:**                      \$

**Add'l Funds Requested:**                      \$

**Explanation (if required):**

**Prior Board Action(s):**

**Alternatives - Results of Non-Approval:**

**Background:**

The Graton Day Labor Center, established in 2005 following a community consensus process, will be posting signs in the downtown area to discourage curbside hiring. The sign project was recommended by the Community Advisory Committee to curtail the long standing practice, and encourage employers to utilize the established Day Labor Center. The signs were designed and will be installed by the Day Labor Center, and were purchased with support from local business.
