Explanation (if required):

Prior Board Action(s):

Alternatives - Results of Non-Approval:

For many years, the employees of this division of our Public Health Department have volunteered their time, solicited donations from the community, and held bake sales to purchase gifts for children enrolled in the Medical Therapy program and their siblings. This event has grown each year, and serves approximately 400 children living with ongoing medical needs. It is an unfunded program, and the staff members organize this efforts on their own time.
