At its regularly scheduled meeting on September 3, 2009, the Planning Commission, with a 5-0 vote, recommended that the Board of Supervisors approve a request for a Specific Plan Amendment from the Rural Residential 5 acre density Land Use to the Urban Residential 3-5 units per acre density in the South Sonoma Valley Area One Specific Plan in addition to the General Plan Amendment and Zone Change. The second public hearing was needed because PRMD staff determined that the Specific Plan Amendment was required to achieve consistency with the proposed General Plan Amendment and Zone Change.

RESOLVED, that the Board of Supervisors of the County of Sonoma (“the Board”) hereby finds and determines as follows:

WHEREAS, [REDACTED] and [REDACTED] (“Applicant”) filed an application with the Sonoma County Permit and Resource Management Department (“PRMD”) for 1) a General Plan Amendment from RR (Rural Residential), 5 acre density and UR (Urban Residential) 5 units per acre density to UR (Urban Residential) 2 units per acre density on .54 acres and from UR (Urban Residential), 5 units per acre density to UR (Urban Residential), 2 units per acre density on .53 acres, 2) a Specific Plan Amendment from the Rural Residential 5 acre density Land Use to the Urban Residential 3-5 units per acre density in the South Sonoma Valley Area One Specific Plan, and 3) a Zone Change from RR (Rural Residential), B6-5 acre density to R1 (Low Density Residential) B6 - 2 units per acre density zoning district on .54 acres and from R1 (Low Density Residential), B6-5 acre density to R1 (Low Density Residential) B6 - 2 units per acre density zoning district or other appropriate district (collectively “the Proposed Project”) on .53 acres as required by a Condition of Approval of a Lot Line Adjustment (LLA01-0103) located at 17845 Highlands Boulevard and 548 Crest Way, Sonoma; APN 056-336-001 and 056-341-048; Supervisorial District No. 1; and

WHEREAS, it was determined that the Proposed Project is exempt from the California

Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3) of the California Code of Regulations which provides that where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA; and

WHEREAS, the Planning Commission in accordance with the provisions of law, conducted a public hearing on the Proposed Project on August 6, 2009, with a 5-0 vote, recommended that the Board approve the Proposed Project; and

WHEREAS, the Planning Commission in accordance with the provisions of law, conducted a second public hearing to include a Specific Plan Amendment on the Proposed Project on September 3, 2009, with a 5-0 vote, recommended that the Board approve the Proposed Project; and

WHEREAS, the Planning Commission's recommendation on the Proposed Project has been reviewed and considered by the Board; and

WHEREAS, in accordance with the provisions of law, the Board held a public hearing on October 6, 2009, at which time all interested persons were given an opportunity to be heard on the Proposed Project; and

WHEREAS, the Proposed Project is part of the fourth amendment of the General Plan Land Use Element for 2009.

WHEREAS, the fourth land use amendment of the General Plan Land Use Element for 2009 does not significantly alter the goals, objectives and policies of the General Plan and the change is in harmony with the rest of the General Plan; and

WHEREAS, the Board concurs with PRMD's determination that the Proposed Project is exempt from CEQA under Section 15061(b)(3) of the State CEQA Guidelines. The facts and conditions that support this finding are as follows:

1. Section 15061(b)(3) of the State CEQA Guidelines exempts an activity from CEQA where it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment.
2. The project details that establish the proposed project's eligibility for exemption under Section 15061(b)(3) of the State CEQA Guidelines are as follows:
 - a. The purpose of the General Plan Amendment, Specific Plan Amendment, and Zone Change is to eliminate the existing split land use and zoning designation portions of the subject parcels to match the newly created parcel boundaries. The rezoning is consistent with the RR (Rural Residential) and UR (Urban Residential) General Plan Land Use designations.
 - b. The amendment was required as a condition of the previously approved Lot Line Adjustment (LLA01-0103).

WHEREAS, the Board of Supervisors does make the following findings concerning the Proposed Project:

1. The proposed General Plan Amendment and Zone Change for RR (Rural Residential), 5 acre density and UR (Urban Residential) 5 units per acre density to UR (Urban Residential) 2 units per acre density on .54 acres and from UR (Urban Residential), 5 units per acre density to UR (Urban Residential), 2 units per acre density on .53 acres are consistent with the General Plan and Zoning Ordinance.
2. The proposed Specific Plan Amendment to the South Sonoma Valley Area One Plan by changing the eastern .54 acres of the site from Rural Residential to Urban Residential would not conflict with policies of the plan and is consistent with the proposed Urban Residential land use designation.
3. The General Plan Amendment, Specific Plan Amendment, and Zone Change are necessary to ensure that the zoning district boundaries coincide with the new property lines and to eliminate the split zoning within the resulting parcel of the Lot Line Adjustment.
4. The General Plan Amendment, Specific Plan Amendment, and Zone Change fulfill Condition of Approval #11 for the previously approved Lot Line Adjustment LLA01-0103.
5. The project is exempt from CEQA pursuant to Section 15061(b)(3).

NOW, THEREFORE, based on the foregoing findings and determinations and the record of these proceedings, the Board declares and orders as follows:

1. The foregoing findings and determinations are true and correct, are supported by substantial evidence in the record, and are adopted as hereinabove set forth.
2. The Proposed Project is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3) of the California Code of Regulations.
3. The Proposed Project is approved as follows:
 - a. The General Plan Amendment is approved as part of the fourth amendment of the General Plan Land Use Element for 2009.
 - b. The General Plan Land Use Amendment is approved to amend the land use designation of the subject site from the RR (Rural Residential), 5 acre density and UR (Urban Residential) 5 units per acre density to the UR (Urban Residential) 2 units per acre density on .54 acres and from the UR (Urban Residential), 5 units per acre density to the UR (Urban Residential), 2 units per acre density on .53 acres.
 - c. The Specific Plan Amendment to the South Sonoma Valley Area One Plan by changing the eastern .54 acres of the site from Rural Residential to Urban Residential is approved.

- d. The Zone Change from the RR (Rural Residential), B6-5 acre density to the R1 (Low Density Residential) B6 - 2 units per acre density zoning district on .54 acres and from the R1 (Low Density Residential), B6-5 acre density to the R1 (Low Density Residential) B6 - 2 units per acre density zoning or other appropriate district on .53 acres as required by a Condition of Approval of a Lot Line Adjustment (LLA01-0103) is to follow (see Ordinance No. _____).

BE IT FURTHER RESOLVED that the Clerk of the Board is designated as the custodian of the documents and other materials that constitute the record of the proceedings upon which the Board's decisions herein are based.
