AGENDA SHORT TITLE: Bid Award for Santa Rosa Creek Trail Reach F - Willowside Road to Fulton Road.				
REQUESTED BOARD ACTION: Award the bid for the construction of the Santa Rosa Creek Trail Reach F - Willowside Road to Fulton Road, California, to Gentry General Engineering, Inc. in the amount of \$364,892.70.				
CURRENT FISCAL YEAR FINANCIAL IMPACT				
<u>EXPENDITURES</u>				
Estimated Cost		\$364,892.70		
Amount Budgeted		\$364,892.70		
Explanation (if required): None.				
Prior Board Action: 3/28/06: Board approved matching grant agreement with SCAPOSD, SCWA, and Regional Parks Department 5/16/06: Board approved Transportation for Livable Communities grant application 3/20/07: Board approved Transportation Development Act Article 3 grant application 6/23/09: Board adopted addendum to a previously certified Environmental Impact Report for Santa Rosa Creek. 9/29/09: Board approved the easement agreement with the Sonoma County Water Agency				
Alternatives – Results of Non-Approval: Grant funds will be forfeited and trail will remain unpaved if County does not proceed with trail construction.				

Background: Discussion:

On September 3, 2009, the Notice Inviting Bids was advertised for the construction of Santa Rosa Creek Trail Reach F Project (Project). The construction plans and specifications were available to contractors.

The Project is located along Santa Rosa Creek on the Sonoma County Water Agency's northern maintenance road between Willowside Road and Fulton Road in Santa Rosa. On June 23, 2009, the Board adopted an addendum to a previously certified Environmental Impact Report for the Project, which allowed for the paving of this section of trail. On September 29, 2009, the County acquired an easement over the northern maintenance road from the Sonoma County Water Agency. The Project consists of constructing a paved bikeway/multi-use trail on Reach F for recreational and transportation use by the public. The construction activities include: earthwork, drainage improvements, asphalt concrete paving, bollard and sign installation, temporary construction fencing, and erosion control.

On September 24, 2009, bids were opened for the Project. Eleven bids were received. A bid summary is attached to this agenda packet. Gentry General Engineering, Inc. had the lowest bid of \$364,892.70. Construction of the Project is funded by the Transportation for Livable Communities, TDA Article 3, and park mitigation fees. Staff recommends awarding the lowest bid of \$364,892.70 to Gentry General Engineering, Inc. The anticipated construction completion date is March 2010.

Requested Board Action:

Award the bid for the construction of the Santa Rosa Creek Trail Reach F – Willowside Road to Fulton Road, Santa Rosa, California, to Gentry General Engineering, Inc. in the amount of \$364,892.70.
