<b>Topic:</b>	California Amendments to Referenced Standards		
<b>Code Reference</b>	Sonoma County Fire Code California Fire Code California Health and Safety Code		
<b>For Use By:</b>	Contractors and Designers		

**NOTE:** This bulletin is a summary of Fire Services interpretations of County and State Codes. Information contained herein applies to typical instances and may not address all circumstances.

### INFORMATION BULLETIN – Referenced Standards

Located in the California Fire Code are listed reference standards. Many times the State Fire Marshals Office will make changes or amendments to the current adopted listed standards.

During the plan review process the amendments will be reviewed to verify compliance.

The California Fire Code is available to view online at:  
<http://www.iccsafe.org>

If you have questions regarding listed standards please call our Commercial Fire Plan Check Division at 707-565-1152
