INFORMATION BULLETIN - Projects Located in Roseland Fire District

Effective Immediately:

Projects located in the City of Santa Rosa / Roseland Fire Protection District will be submitted to City of Santa Rosa for review and approval by the following process.

Building Permits:

Building drawings will be routed from Sonoma County Building Department (PRMD) to the City of Santa Rosa. All inspections will have to be conducted by the City of Santa Rosa Fire Inspector.

Fire Suppression Permits:

Fire Suppression Drawings and request for permit shall be submitted directly to the city by the licensed contractor or building representative. City of Santa Rosa will notify Sonoma County Fire of all approvals and inspections to validate the record into the Sonoma County Permit Data Base.

If you have questions regarding the number of submittals please call Commercial Fire Plan Check at 707-565-1152
