

# *Sustainable Energy Practices*

## **Workshop Registration Form**

In conjunction with the guidebook, the County of Sonoma will be offering free workshops. All government, public and non-profit agencies are invited, and from the attendees a pilot project will be chosen! You can fill this form out and submit it electronically, mail it in, or send us the information in an email, the choice is yours!

**Yes! We're interested in attending a workshop.**
