The County of Sonoma is updating its Americans with Disabilities (ADA) plan to provide full accessibility for all residents and visitors. The County has evaluated its facilities, programs, services and activities and would like to share the Final Draft Plan with the public.

Here is your chance to share your ideas. Your comments and suggestions will be considered as we complete the County's Final ADA Self-Evaluation and Transition Plan Update. Copies of the Plan will be available at <http://www.sonoma-county.org/> as of October 5, 2009.

Public Transportation

City of Santa Rosa Bus Routes 5 and 18 stop at the Sonoma County Fairgrounds, across the street from the Santa Rosa Veterans Building.
