

Aerials are in California State Plane Coordinates Zone II, North American Datum 1983. Aircraft altitude varies and can be determined by multiplying the negative scale by 6. Negative scale varies by area of County, and is available on request. Black and White Aerials flown April 2000; Color Aerials flown April 2007.

Map Scale and Reproduction methods limit precision in physical features displayed. This map is for illustrative purpose only, and is not suitable for parcel-specific decision making. The parcels contained here-in are not intended to represent surveyed data. Site-specific studies are required to draw parcel-specific conclusions. Note: Assessor's parcel data are current as of June 30, 2008.

Parcel Boundaries derived from 1:6,000 lotline maps and revised using Assessor Plot maps. The data represented herein is for planning purposes only and all parcel base data inquiries should be directed to Sonoma County's ISD-Central GIS Division (707-565-3819 or gs@sonoma-county.org).

No part of this map may be copied, reproduced, or transmitted in any form or by any means without written permission from the Permit and Resource Management Department (PRMD), County of Sonoma, California.
