Re: asphalt plant.

Dear people:

I have just learned of the project
 of the Lutra asphalt plant being
 proposed on the Petaluma wetlands
 area.

I reject the proposal - and know it
 would affect the quality of my air
 in my neighborhood and when I use
 the Schallerberg park, the stench
 would be horrible & leave me sick.
 I was happy the birds and ducks were
 inhabiting the area and now this project
 would be environmentally unsafe and
 undesirable for both them & humans.

Please No permit for the plant.
