Subject: Asphalt Plant Petaluma

Greetings,
I am writing to obtain information about where and how to express my concerns about the proposed Dutra Asphalt Plant adjacent to the Shollenberger wetlands.

]
] B17-1

This rich asset for Petaluma and the environs would be irreparably harmed by an asphalt plant.

] B17-2

As a local resident and business owner, I cast my vote against the Dutra plan.

Please let me know of any petition in process gathering signatures against the development.
