

# ***Special Events/Cultural Events***

PJR-024

---

## **Purpose**

This form is to be used for special events/cultural event applications to be held on private property. Special events held within County road rights-of-way require a permit from the Encroachment Section of the Permit and Resource Management Department (PRMD).

## **Definition**

Special Events/ Cultural Events are defined in the Sonoma County Zoning Ordinance as periodic special events which attract a large gathering of people such as parades, concerts, festivals, races, or any large gathering where amplified music, advertisement to the general public, or a fee is charged. Special Events are allowed with a zoning permit in the following zoning districts: AR, AS, C0, C1, C2, C3, DA, K, LC, LEA, LIA, M1, M2, M3, MP, PC, R1, R2, R3, RR, RRD, RRDWA, and TP, except they are prohibited in vacation rentals in the LIA, R1 and RR Districts.

A zoning permit is required for events that have any one or more of the following characteristics:

1. Live amplified music.
2. An admission fee.
3. More than one-day event or a one-day event beyond the hours of 7:00 a.m. to 11:00 p.m.
4. Overnight sleeping accommodations.
5. An event occurring more than once in a 30-day period.
6. Publicized to the public at large through printed advertisements, newspaper, radio or tv.
7. Sale of food or beverage.

The following are not Special Events/Cultural Events and therefore do not require a zoning permit:

1. Events conducted entirely within dedicated rights-of-way where encroachment/special event permits are obtained from the County or State.
2. Events entirely within a building for which all necessary County permits have been obtained and which allow the particular use.
3. Events at fairgrounds or outdoor spectator facilities where a use permit has already been obtained.

A Fire Permit will be required for all of the above including but not limited to:

- Amusement buildings.
- Carnivals and Fairs.
- Explosives.
- High-Pile Storage.
- Open Burning.
- Places of Assembly.
- Pyrotechnic Displays and Effects.
- Tent 200 square feet and greater and Canopy 400 square feet and greater.
- All others listed in the California Fire Code Chapter 1.

## Procedure

1. Submit application material to the Zoning Cubicle at PRMD. Please submit application at least 12 weeks in advance of an event to allow adequate time for processing any appeal.
2. PRMD staff will place posters in the neighborhood where the event is to take place.
3. After posting, there is a 10-day appeal period during which neighbors or concerned citizens may file a written appeal with PRMD. The appellant must pay a fee to cover the cost of processing.
4. If no appeal is received by PRMD within 10 days of posting and all agencies have approved the event, the permit will be issued.
5. If an appeal is received, a public hearing will be set before the Board of Zoning Adjustments (BZA). PRMD will notify the applicant of the time and place of the hearing that has been scheduled. At the hearing, the appellant, the applicant and all interested persons will be allowed to speak and present evidence, including petitions of support or opposition. The decision of the BZA may be appealed to the Board of Supervisors within 12 days of the BZA action.
6. The Board of Supervisors hearing will be conducted in a similar manner as the BZA hearing. Appeals to the Board of Supervisors may take an additional six to eight weeks.
