

# PRMD-Engineering Water & Sewer Referral List

SAN-006

This is a referral list of agencies and companies in Sonoma County that provide water and/or sewer services. Properties not served by these entities may be on a small well or served by a septic system. The California State Department of Health Services, Drinking Water Field Operations, monitors the small water systems. The telephone number for their Santa Rosa office is 707-576-2145.
