

The Sonoma County Permit & Resource Management

# **Penalty Relief Program Has been Extended!**

For a limited time, permits to legalize unpermitted construction will not be subject to civil penalties and investigative fees.

Projects eligible to participate are:

- Residential buildings and accessory structures
- Construction completed prior to July 13, 2010
- “Self-disclosed” construction

**Eligible permit applications must be received between  
August 1, 2010 and August 1, 2011.**

## **Get your questions answered!**

This is an opportunity to meet and discuss permit requirements and the inspection process without any record retained by PRMD.

## **Save Money!**

Avoiding civil penalties could save you thousands of dollars.

## **Make it safe and increase your property value!**

Ensure that minimum health and safety standards are met for current and future occupants of the property. Permitted construction = higher value.

## **Need more information?**

Come visit PRMD at 2550 Ventura Ave., Santa Rosa or call 565-1923.
