

**Sonoma County Permit and Resource Management Department
Permit Status Definitions**

Permit Types

Status	Description
--------	-------------

PRMD files track a wide variety of land development activities. Statuses have been modified through time, to better identify milestones during the life span of a specific FileType. Many historical files reflect statuses which are no longer in use. In order to provide a complete list of status definitions, historical statuses are included in this document.

Address / Road Name Assignment (C-RNC)

APPEALED	Approved Road Name choice has been appealed
APPROVED	Road Name choice has been approved
COMPLETE	Final Road Name and Address Assignment letter has been sent
DONE	Address(es) assigned (used only for address assignments without a new road name)
DROPPED	Road Name Application dropped
PAID	Fees paid
POSTED	Road Name Notice posted
STARTED	Application submitted
VOID	No payment received OR data entry error
WITHDRWN	Application withdrawn

Aggregate Resource Management (ARM)

BILLED	Fees calculated, invoiced, not yet paid
PAID	Fees paid
STARTED	File created
VOID	File created in error

Agricultural Building Exemptions (B-AEX)

APPROVED	Exemption approved
CANCELED	Exemption cancelled
DENIED	Exemption denied
PAID	Application fees paid
RECORDED	Notice of Ag Exemption has been Recorded
STARTED	Application submitted
VERIFIED	Site inspection verified building complete and being used as an agricultural structure
VOID	No payment received OR data entry error

Agricultural Commissioner - Erosion Control (AB-ACO)

ENG_LTTR	Waiting for engineer's letter that project is in substantial compliance
ENG_REVW	Plan redlines are at the engineer for corrections
EXPIRED	Application was not completed within five (5) years
FINALED	Project is complete
INC_LTTR	Waiting for further information from applicant
ISSUED	Plans are approved, construction can begin
REIN_FEE	Reinspection fee charged
STARTED	Complete application and fees received
VOID	No payment received OR data entry error
WITHDRWN	Application withdrawn by applicant
WORKING	Initial inspection has taken place, further inspections required

Annexations into cities (ANNEX)

DENIED	Application denied
RECORDED	Annexation legally recorded

**Sonoma County Permit and Resource Management Department
Permit Status Definitions**

Permit Types

Status	Description
RESCIND	Application withdrawn at applicant's request
STARTED	LAFCO has received annexation request
VOID	File created in error

Building Permits without Plan Check

(A-BLD July 1, 2002 to present)

CANCELED	Permit canceled
EXPIRED	Permit expired
FINALED	Permit has received final approval
