***APPLICATIONS CHARGED AT COST** - Fees for projects identified within this fee schedule as “CHARGED AT COST” will be charged on an actual cost basis. A minimum fee, as specified within Ordinance Nos. 5890 and 5931, shall be required at the time the application for each such project is submitted. After staff review of the application, a preliminary estimate of costs will be provided to the applicant if the costs are expected to exceed the minimum fee. In this case an additional fee will be required prior to initiation of work on the project. Should actual costs exceed the amount of the fee, work on the project may be halted and the applicant will be billed for additional costs.

A convenience fee up to 3% will be applied on all credit card transactions.
