

# River Road at Sunset Beach

March 2008 – August 2008

# River Road at Sunset Beach

This was a joint project between the Public Works Department and the Regional Parks Department. The photograph above shows the beginning of an entrance into a parking lot.

# River Road at Sunset Beach

A protected left turn lane was added in order to provide safer vehicular access to the new parking facility.

# River Road at Sunset Beach

The project was completed in August of 2008.
